

It's never too early to...

Share the Love

This year's speaker is teacher, writer and advisor Douglas A. Smith. Smith is the author of *Happiness: The Art of Living with Peace, Confidence and Joy*. In the midst of a successful business career, Smith received life-altering news that set him on an entirely new journey to discover the ingredients that lead to true happiness. Through research and study, he began to understand that the most joyful people on earth have three things in common. They remember the past with peace, anticipate the future with confidence and live in the present with joy and meaning. Smith will discuss his renewed outlook on happiness, wellbeing and the skill of dealing with setbacks in life.

Share the Love is sponsored by the Friends of the Cancer Resource Centre in conjunction with the auxiliaries of Community Hospital, St. Catherine Hospital and St. Mary Medical Center. Net proceeds benefit the Cancer Resource Centre in Munster.
