

Hand in hand we...

Share the Love

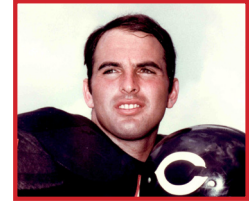

This year's guest speaker, Traci Piccolo Dolby, is the daughter of the late Brian Piccolo. Since his death in 1970, she has worked with her mother and sisters through The Brian Piccolo Cancer Research Fund to raise money in the hopes of finding a cure for cancer.

Traci loves to speak about her father and the crazy path that led him to the NFL; a path that was cut short with his diagnosis and subsequent death from cancer at the young age of 26. There are so many amazing things that have been accomplished in his name since he passed away. The list goes on and on. But it's hard to fully understand how his legacy has endured without knowing how it began. Traci is the mother of four, including a son named Brian.

Share the Love is sponsored by the Friends of the Cancer Resource Centre in conjunction with the auxiliaries of Community Hospital, St. Catherine Hospital and St. Mary Medical Center. Net proceeds benefit the Cancer Resource Centre in Munster.
